Help us celebrate National Travel and Tourism Week! Please join us for the 12th Annual Tourism Breakfast, Tuesday, May 11, at the Holiday Inn of Manitowoc. Our Guest speaker is Barry Deach, 2010 PGA Tournament Director. *Share in the Excitement* as Barry tells us about the, 92nd Annual PGA at Whistling Straits August 9-15. Hear about what has changed from PGA 2004 and get an overall scope and update for what's new at PGA 2010.

Senator Joe Leibham, Senate Tourism Committee member, will bring us up to speed on current tourism issues pending in the legislature. Our 2009 MAVCB Digital Photo Contest winners will also be honored and we have a great line-up for our 2010 Tourism Attractions and Events update. What's new on Mariners Trail? Learn about the Rogers Street Fishing Village expansion, the 2010 Wisconsin Carp Championship and we'll even take a voyage on Wisconsin's Schooner Coast.

Win a free 2011 Discovery Guide Ad, a Season Pass for the PGA or a free round trip for two on the S. S. Badger by purchasing a tourism breakfast raffle ticket. Register on line at www.manitowoc.info or look for your special invitation in the mail. If you are the 57th or 87th registration, you will win a free raffle ticket and a free breakfast! We know how to celebrate tourism!
