

# Sample Our Creative Nature Gardens, Galleries, Arts & Glass

## Manitowoc

**The Heritage Garden** - Relax in one of three gardens at Holy Family Memorial Medical Center. Stroll through the many flowering trees, bushes, perennials, spiritual sculptures and water features including the "Hope" waterfall.

**Capitol Civic Centre** - Take a tour of this vintage 1921 restored vaudeville house which features professional touring artists, Broadway shows, music, theatre and dance. Advanced reservations required. Group rates available on most performances.

**Martin Pottery, Studio & Gallery** - Offers handmade pottery thrown on a potter's wheel by Dave Martin in his studio. The gallery offers a full line of unique stoneware made with a variety of clays and glazes that is both functional and non-functional.

**Rahr West Art Museum and Victorian Mansion** - Visit an 1891 Victorian Mansion where art and architecture collide! This museum features 19<sup>th</sup> and 20<sup>th</sup> century American and decorative arts and is the landing place of a piece of Sputnik IV. Guided tours available. (\$10 docent fee per bus)

**West of the Lake Gardens** - Located along the coast of Lake Michigan this 6-acre estate offers four formal gardens to enjoy. Fabulous photo opportunities.

## Two Rivers

**Woodland Dunes Nature Center** - A 1,200-acre wildlife sanctuary, home of hundreds of species of plants and animals. Woodland Dunes offers more than 6 miles of nature trails, an interpretive center, butterfly garden, naturalist led programs, folk music concerts and a gift shop.

**Carreaux Du Nord** - The interesting architecture of the former Hamilton home provides a charming backdrop for the handmade Art Tiles of the in-house studio and selected works from other fine artisans.

**The Healing Garden** - Located at Aurora Medical Center along the coast of Lake Michigan, this garden provides a calming environment with the fragrant flowers, numerous shrubs and trees, a pergola, quiet seating areas, beautiful statuary, bridges and pathways.

## Between Manitowoc & Two Rivers

**Mariners Trail** - View over 40 flower beds and four sculptures along this 6-mile paved coastline recreational trail between Manitowoc and Two Rivers; the longest continuous scenic view of Lake Michigan in the state. Most flower beds and sculptures are located near overlooks.

## Mishicot

**RiverEdge Galleries and Sculpture Garden** - This three room antique gallery includes an ever-changing array of items and features exhibitions by leading state and regional artists displayed in a historical setting.

## Algoma

**The Flying Pig** - A high-spirited celebration of art and garden. Sip an organic cup of coffee as you explore their uncommon indoor exhibits and stroll through their sculpture gardens.

## Kiel

### **Abler Art Glass Gallery Etc...A Collection of Artists**

Your group can browse two galleries in one location! *Abler Art Glass* demonstrates hand-blown fused, etched, leaded, enameled and painted glass. *Etc.... A Collection of Artists* showcases artwork in mediums of jewelry, metal, wood turning, paintings and pottery. All beautifully situated in a rural setting surrounded by flower gardens and sculptures.

## *Don't forget the Cheese!*

## Manitowoc

**Pine River Dairy** - Offers over 250 varieties of cheese in their retail store. Enjoy a 25 cent hand-dipped ice cream cone while browsing through many gifts and souvenirs. View the butter manufacturing process through the observation window

## Kiel

**Henning's Cheese** - A fourth generation family owned cheese factory based in rural Wisconsin that features an on-site cheese store and museum. Henning's offers a wide variety of cheese, including Cheddars & Colbys that have won many national and world awards. Tours provided by appointment.
