At the Palace, the theme buffet is always part of the show. All the shows at the Palace are original variety shows with music, dancing, drama and comedy focused around a central theme.

Do you have a bus tour or convention in the area?

The Palace accommodates 114 guests in festival style seating, and meets ADA requirements.

If you are touring with a bus group, the show, along with a buffet style dinner, can be presented on your schedule. The Palace will accommodate those with special diets. Stop by for a great lunch break or top off your evening with a dinner show!
